

Elevate 2026 Brand Audit Project

The Brand Marketer is pleased to offer one complimentary brand audit designed to uncover hidden opportunities and provide personalized recommendations for a business looking to grow and succeed in 2026. The successful applicant will receive expert guidance with actionable insights tailored to their unique business needs.

One complimentary brand audit will be awarded to a deserving business, which includes a full review of your brand, a marketing and communications strategy, an action plan based on audit results, and recommendations for next steps.

Our Why

Behind every small business is a visionary with a dream. We understand the challenges of maintaining a clear, impactful identity when operating entirely from within your own business. An objective third party can provide a fresh perspective and unbiased insights to help align your goals, messaging, and strategies with customer expectations.

As a small business ourselves, we've benefited from the support and inspiration of our community during our early years of growth. Offering this complimentary audit is our way of giving back and paying it forward to support other small business owners on their journey.

Eligibility

The complimentary brand audit is open to small business owners located in Ottawa and the surrounding area who meet the following criteria:

- Employ fewer than 10 people.
- Generated less than \$1 million in annual revenue.
- Have an established business operating for 1–5 years.

Applications must be completed in full to ensure a thorough review.

The application deadline is June 11, 2025, at 11:59 PM.

The recipient will be announced on June 25, 2025.

Instructions

Submit the completed application form to info@brandmarketer.ca with "Elevate 2026" in the subject line.
